

SEE ABILITY

Extraordinary every day

Barclay House

Seaford, East Sussex

Barclay House is a small residential home for adults with learning and other disabilities, many of whom have sight loss.

Specialist support services

We don't underestimate people.

SeeAbility is genuinely passionate about improving lives and delivering excellent outcomes.

We have one of the country's most comprehensive in-house team of specialists, ensuring our approach is person-centred and expert-led, based on positive behaviour support.

The team includes consultant behaviour analysts, speech and language therapists, physiotherapists, optometrists, and vision rehabilitation workers.

The people we support at Barclay House can live more independently as active participants in our communities, and make more choices about what they want from life every day.

Where to find us

Located in a lovely part of Seaford, East Sussex, Barclay House is close to the town centre and local shops and cafés.

Eastbourne, Lewes and Brighton are nearby, with good public transport, so it's easy to explore the local countryside and coast.

'Living at Barclay House is good because I get to be independent and do new things I couldn't do before.'

Emily
